

MANAGEMENT APTITUDE TEST (MAT)

SEPTEMBER 2020 MAT

Dear Sir,

The above administration of MAT has over 110 participating B-Schools. Our endeavor is to make MAT information available to potential candidates through social media. In addition, the B-School's website addresses are listed duly hyper linked on our website; (<https://mat.aima.in/sep20/institutes>) which are attracting considerable hits.

As you are aware, due to the prevailing COVID restrictions, it is not advisable to print the MAT Bulletin. However, an e-Bulletin is being released and uploaded on our website <https://mat.aima.in/sep20/institutes> & <https://mat.aima.in/may20/prospectus> & .

In view of the increasing COVID 19 situation, we are constrained to conduct September 2020 MAT in **Remotely Proctored Internet Based Test (IBT)" mode**. The IBT mode tests are starting from **27 August 2020**. The results will be announced by last week of **September 2020**.

It is our sincere effort to penetrate MAT upto more and more aspiring candidates; and in doing so, we also seek co-operation from you to promote it to the fullest possible way. We believe that, this is the right opportunity for aspiring candidates to appear for MAT and get prepared for management career and utilize this time to study further.

We are confident that our combined efforts can ensure registration of more and more candidates; which in turn will facilitate selection of quality students in your B-School's programmes.

With regards,

Sanjeev Phatak
