The Philosophy of Suryadatta

Our Inspiration

"One must continuously strive for excellence and perfection in any assignment however small and never be satisfied with the second best"

J. R. D. TATA

"Awake, arise and stop not, till your goal is reached."

SWAMI VIVEKANANDA

"The success or failure of an organisation depends on people, on human beings, on their talent, on their initiative, on their ability to lead, and on co-ordination with others, to work as a team."

ADITYA BIRLA

"We must create a civilized society, where everybody has equal opportunity to better his or her life."

NARAYANA MURTHY

"Incredible things can be done simply if we are committed to making them happen"

SADHGURU

"If people are not laughing at your goals, your goals are too small"

Message from the Founder President & Chairman

Dear Friends,

The world is witnessing profound transformation on multiple fronts. Humanity is facing unprecedented challenges and all nations, societies and economies are formulating strategies to survive and emerge stronger through these challenging times.

It is at such times that the true human spirit comes out on top and as individuals as well as a society and nation we all evolve to a new level of consciousness and competency. Human Talent and the never die attitude is at the root of all such progress. Grooming and Nurturing human capital through quality education, skilling, training, research, innovation and entrepreneurship lays the foundation for all human endeavor. The policy makers have rolled out the progressive and forward-looking New Education Policy that strengthens the entire ecosystem of competency building through education and skilling right from the school level till the doctoral level. It also lays immense emphasis on technology integration, rootedness in Indian values, scaling up, globalization and overall readiness and preparedness for tackling the new age issues that confront the nation, society and mankind at large. The emphasis on developing 21st century skill sets to address issues of energy, environment, ecology, equity and so on through 21st century learning is an imperative today.

Suryadatta Education Foundation and its various constituent units of Suryadatta Group of Institutes, Pune spanning from pre-school, to school and junior college, UG colleges offering programmes in Arts, Science, Commerce, Computer Sciences, Animation, Hospitality Studies, Design, Fashion, Home Science, Cyber Security and PG colleges and Institutes that provide a learning pathway to Business Management, Computer Sciences leading further to doctoral programmes, has always been cognizant of its responsibility to various stakeholders right from the wider society, the regulators and competent authorities, the industry and entrepreneurial ecosystem, the NGOS and social organizations to the core stakeholders of students, faculty and parents. Over the past few years we have taken proactive steps to modernize ourselves and create vibrant learning communities in association with our local, regional, national and global academic and industry partners. Our associations with various industry and trade bodies have been the icing on the cake. In spite of the multiple challenges faced over the last couple of years we have been adopting innovative and creative approaches to capacity building of our teachers and faculty so that they can leave no stone unturned in grooming and holistic development of our all our students.

Our efforts have borne fruit in the form of wider reachout to the student community across geographies and across socio-economic strata and are reflected in the accreditations, ratings and rankings achieved by Suryadatta Group of Institutes, Pune. I invite you to be a member of the Suryadatta family and enrich yourself through embarking on a learning and growth journey with one of the academic programmes of your choice. I assure you of a wonderful, serene, green and healthy, safe learning environment and a platform of blended learning full of offline in person interactions, experiential learning opportunities, international immersion, value education, spiritual development, health and wellness and multiple opportunities to tap into your inner potential and ensure that you realize your true long-term goals in life. Education at Suryadatta goes beyond developing Intelligence Quotient to development of your Emotional and Social Quotient. This is further strengthened by ingraining attitudes and values that build your Adversity Quotient, Spiritual Quotient and Happiness Quotient.

Me and my team are eagerly waiting to welcome you to the Suryadatta family and receive you on the campus.

Message from the Vice President & Secretary

The world is evolving at a rapid pace and we are witnessing unprecedented changes all around us.

Keeping in sync with the evolving socio-economic milieu, on the horizon industry trends and dynamic demands from a global and digital society, Suryadatta Group of Institutes has embarked on a path that reinvents itself into a 21st century academic conglomerate that touches several aspects of lives of the students community and contributes to their overall wellbeing.

As a group we are integrating ourselves more closely with the wider academic, entrepreneurial, industry, policy making and social ecosystem. We have taken several steps in this direction.

Some of the key aspects include building a wider web of renowned and acclaimed academic partners in the form of HBS online, IIMBx, AIMA, Lincoln University Malaysia, TCSION, Cambridge Business English etc., taking learning beyond the classroom and making it more socially relevant in terms of more touch points on the field with local and global immersion programmes and a wider adoption of digital learning in line with the expectations of the student community and the probable work place of the future.

All constituent institutes of Suryadatta Group have on their radar various key interventions that contribute towards the development of a startup, innovation and incubation culture. Our academic partners are acting as the icing on the cake for our efforts. This ensures that we not only create job seekers, but we nurture job creators as well.

Recent Associations with National & International Institutions Universities for Academic & Research Cooperation

MOU with Asian Institute of Technology (AIT), Thailand

Suryadatta Group of Institutes (SGI), Pune signed MOU with the Asian Institute of Technology (AIT), Thailand to establish academic cooperation & research.

The purpose of this MoU is to enable cooperation between AIT and SGI for academic and research collaboration especially for capacity building, student exchange, faculty exchange and other activities of mutual interest.

The Asian Institute of Technology (AIT) is an international institute of higher learning. It is Asia's pioneer institution established in 1959 to help meet the region's growing needs for advanced learning in engineering, science, technology and management, research and capacity building. AIT's mission is to develop highly qualified and committed professionals

who will play a leading role in the sustainable development of the region and its integration into the global economy. Its rigorous academic, research, and experiential outreach programs prepare graduates for professional success and leadership roles in Asia and beyond.

MOU with Council for Creative Education (CCE), Finland

Suryadatta Group of Institutes (SGI), Pune signed MOU with the Council for Creative Education (CCE), Finland. The MOU is signed to create a collaborative partnership between CCE Finland and SGI Pune with the aim of enhancing the educational standards and experiences in both K-12 and higher education.

Council for Creative Education (CCE) Finland is a global organisation originating from Tampere, Finland, with the motto of redefining education through creativity. It provides tailor-made teacher training and school development programs - from pre-primary to higher education. Along with Finland, CCE operates in MEA, Nigeria, America, Australia, and Asia with their collaborators and network. Team CCE Finland has already served customers and educators from more

than 35 countries. The MOU is signed to enhance K-12 education particularly in implementing Finnish-style elements; explore the Higher Education Collaboration by facilitating student internships in Finland with a focus on emerging technologies, and to establish partnerships with Finnish universities for joint educational programs, creating pathways for students to access higher education in Finland.

MOU with Centre for AI Innovation (CE.AI) & MyFinB, Singapore

Suryadatta Group of Institutes (SGI) is proud to announce its collaboration with MyFinB & CE.AI headquartered in Singapore by signing the Memorandum of Association and establishing centre of Excellence in AI @ Suryadatta's Bavdhan campus, Pune.

The Centre for AI Innovation is established to provide opportunities for students and young professionals to receive quality education and training in AI and technology. The Centre will also play a key role in driving innovation and economic growth in the region. This collaboration will bring together the expertise of SGI & CEAI to drive Innovation & Transformation in the city. It also leverages the latest AI technologies to

support research & development in key areas such as Education, Healthcare, Finance, Retail & many more.

Suryadatta in association with MyFinB & CEAI Singapore will conduct capacity building programs such as the Young CEO Program, Professional Certificate series, and the Certification in Applied AI (CAAI). Through the Centre, the Parties will also jointly carry out the four components of University-Industry Partnerships (UIP): R&D, training and certification, jointly apply for national and global grants, and commercialisation of projects with the industry.

Disclaimer : National & International Affiliations / Associations / Partnerships for Value added modules. All the Affiliations / Associations / Partnerships with various National & International Institutions for offering Value added modules / additional certifications are valid for the period of the MOU signed with respective Institution.

At times these relationships with the industry are formalized in the form of MOUs

Industry professionals are invited to personally guide the students for the specialization choice series, for guest lectures, grooming sessions, etc. Several reputed organizations have a continuous association with the institute. Industry internship is an opportunity for the students to apply academic knowledge to the real world business problems. Guest lectures provide the students a chance to interact with the representatives of the corporate world and learn about latest management practices. Live projects & workshops ensure optimal exposure to firsthand knowledge of business process, while the student is at the institute.

Industry Visits

Suryadatta regularly organises industry visits as an indivisible part of the curriculum. Industry visits focus on Practical exposure on industry know-how, interaction with corporate leaders and to learn about contemporary practices. Placement Success Stories

I belong to Goa. After graduation, whilst selecting colleges for PGDM I was really confused about which college to go for. Like any other student, my main concern was related to academics and placements.

But now I can proudly say that I associated myself with Suryadatta as I got great placement opportunities from Suryadatta Institute. My sincere appreciation & gratitude to the training and placement department and all the faculty and staff members of Suryadatta Institute for their efforts in imparting quality professional training which proved very beneficial for me. Their dedication towards their students today helped me grow in my field of work. I am very grateful to them for effectively and sincerely helping me at every required step. If you want to make a career in Management field, I would highly recommend you to join Suryadatta Group of Institutes.

Vidya Ravadi

Company - Globus Thenken, Senior Market Research Analyst.
City - Pune

I did my PGDM from the Suryadatta Institute of Management and I'm very grateful to all faculties and the Placement team for helping me and guiding me throughout my journey in the institute. The placement and the pre-placement committee of the college imparted quality training which helped me in excelling the interviews I appeared for. The faculty is like a family that is always there for you whenever you need a friendly smile or an ear to listen. I would like to present my heartfelt gratitude to the Suryadatta Institute of Management for allowing me to start my career with good companies and help me reach where am I today. 'Standing on one's own feet is what everyone desires and in my case, it is possible only because of my Suryadatta Family.

Mohit Thakkar

Company - Globus Thenken, Senior Financial Analyst

It's the feeling of joie de vivre that I had after getting placed in the field I always wanted. I am thankful to Suryadatta Institute for this golden chance as well as for enhancing my skills and knowledge. I would like to thank all the professors and other staff members for providing us with the environment and skill set that would help me to build a successful corporate career. I'm delighted to be a part of this journey.

Placement Success Stories

I Yukta Moulick, student of Suryadatta would like to express my sincere gratitude towards Suryadatta Institute of management for helping me at each and every step of my professional career. I got an excellent placement in Apexon as Sr. Executive because of everyone's continuous efforts at Suryadatta. The relationship between faculties and student is very cordial which gave me opportunity to excel in my area of interest. I would like to thank Suryadatta Institute of management and all the faculties and staff for making me a better person.

Yukta Moulick
Company: Apexon

7 Pillars of Multiple Career Pathways - The Guiding Principle

By education, I mean an all-round drawing of the best in child and man in body, mind and spirit...Mahatma Gandhi.

Suryadatta Group of Institutes is guided by the above quote of the father of the nation. All of academic initiatives embody the above ethos, in letter and spirit & thus we go beyond the narrow perspective of education in terms of degrees & jobs. We believe in creating a transformational educational experience. Various activities are offered round the year for Holistic Development of the students leading to the 7 pillars of Multiple Career Pathways.

- 1. Higher Education & Life long Learning :** Higher Education, Research, Professional Certifications, Executive Education & LifeLong Learning. MBA / PGDM students can pursue PhD from Suryadatta Research Centre or institutes of National / International repute.
- 2. Corporate Careers in National & Multinational Companies :** Explore the future through the blue chip Indian, Multi-National & Transnational Companies operating in India
- 3. Innovation, Startup & Freelancing :** Build on your creativity, innovation to set up & commercialize start ups & pursue Freelancing
- 4. Intrapreneur & Family Managed Business:** Professionalize and Grow the family business and take it to the next level
- 5. Careers in Training, Research Consulting & Education :** Pursue career options in teaching, tutoring, training, coaching, mentoring, research and freelancing.
- 6. Careers in CSR, Social Entrepreneurship & NGOs :** Leave an indelible mark by setting up NGOs, Not for profits and social organizations.
- 7. Services for the Nation & World:** Contribute to nation building through careers in Civil Services, Armed forces, Judiciary, Government Organizations, Organizations of National Importance and careers at the global platform like United Nations, WHO etc.

Chordiya visited to explore possible opportunities with various leading Universities / Organizations i.e. Main university of Oxford, Oxford Brookes University & various other universities

University of Oxford is an English autonomous institution of higher learning at Oxford, Oxfordshire, England. It is one of the world's great universities. It is the oldest and is in existence since early 12th century. Oxford has been associated with many of the greatest names in British history which includes famous scientists, notable writers, Prime-Ministers, industrialists and many more.

Chairman of Suryadatta Group of Institutes, Prof Dr Sanjay B.Chordiya, & Vice President, Mrs Sushama Chordiya were invited to the University of Oxford. Dr Rakesh Roshan, Head of Innovation interacted with them. This innovation centre has been established with the purpose of creating impact through licensing, research commercialisation & academic consulting. Dr Roshan took them around the 100 acre beautiful & well planned campus. One of the attraction is its huge library which has internal train service to carry the books.

Dr Chordiya introduced Suryadatta Group of Institutes – courses offered, facilities available for the students, pedagogy, etc and discussed the possibilities of getting associated with the University in several ways. This interaction ended on a positive note with an opportunity to visit the University every quarter. Dr Chordiya said that the take -away from this University visit will be implemented at Suryadatta to the extent possible so that students get the at par learning atmosphere.

Prof Dr Sanjay B. Chordiya: Keynote Speaker during the 4th Forum on China-South Asia Technology Transfer & Collaborative Innovation held in Kunming, Yunnan Province, China between 15th to 19th Aug 2023

The 4th Forum on China-South Asia Technology Transfer and Collaborative Innovation was hosted by the Ministry of Science and Technology of China and the People's Government of Yunnan Province, and organized by the Ministry of Science and Technology (MOST) of P.R.China, Yunnan Province Science and Technology Department, & India China Technology Transfer Centre (ICTTC). This forum was organised in order to further deepen the cooperation in science and technology innovation (STI) between China and South Asian countries, discuss regional policies and mechanisms for Science and Technology cooperation, build and share collaboration platforms, and promote STI and sustainable economic development within the region.

The Forum consists of High-Level Forum, Technology Promotion and Matchmaking Workshops to facilitate communication and exchanges between Chinese and South Asian enterprises and institutions, enhance mutual understanding and identify potential partners.

Prof Dr Sanjay B. Chordiya, Founder President & Chairman of Suryadatta Group of Institutes, was invited to this Forum as an esteemed Delegate from India. Dr Chordiya addressing the Forum as the Keynote speaker on the topic, 'Technology Promotion & Collaborative Innovation' said that

Collaboration is key to innovation in the world of technology. By bringing together diverse perspectives, skills, and experiences, we can create ground breaking solutions that solve complex problems and meet the needs of users. Collaborative innovation encourages cross-disciplinary thinking through cooperation and communication among multiple parties such as corporations, universities or governments. One of the most rewarding aspects of innovation is working with different people and diverse organizations.

Dr Chordiya said that Suryadatta institutions are prepared for the digital transformation that is sweeping across the education sector and are embarking on a transformative journey with the Suryadatta 5.0 initiative, aimed at embracing the new era of AI and digital transformation in the education sector in India.

Alongwith Dr Chordiya, the other speakers were Mr Xia Shengan, Deputy General of Yunnan Administration; Prof Wang Zuobin, Director of Changchun University; Mr Wu Jun, CEO of Guangdong CAS Cogniser Information Technology Company. It is a proud moment for Suryadatta to represent on such a huge platform and network with distinguished persons from China & South Asian countries.

SURYADATTA® - Unique 7 Pillar Philosophy

To say that we live in diverse times would now definitely be a buzzword. The world has changed and is still changing at a fast speed. During these volatile and uncertain times when technology has taken main stage, people are working remotely. Industries are changing the way they work and produce. Companies are looking at hiring people with multiple skill sets, multi-tasking and people who can unlearn fast and learn even faster. Life skills, which add capabilities to aid young people in transitioning to an evolving era of work, have been identified as important for the holistic development of young minds. Effectively scaling up the delivery of such innovative programmes, to empower our youth to thrive and equip them with the right skill sets, is the appropriate logical step. Central to this is a systematic approach that can ultimately help integrate life skills training with the mainstream education curriculum & improve the preparedness of the next generation.
